

# ENGINEERING FORUM 2014

## SCHOOL OF ENGINEERING THE FEDERAL POLYTECHNIC ADO-EKITI

THEME:

## e-TECHNOLOGY & e-LEARNING IN NIGERIA EDUCATION

DATE: 22ND - 25TH JULY, 2014

VENUE: CONFERENCE HALL

The Federal Polytechnic, Ado-Ekiti, Ekiti State, Nigeria.

### SUB THEME:

- e-learning Design, Usability, and Evaluation
- e-learning Pedagogical Strategies
- e-learning support to communities and individuals
- Data Mining, Web Image Mining, & Applications
- Distance Learning System DLS
- e-learning in Higher Education
- Evaluation of Learning Technologies
- Geographical information Systems/Global Navigation Satellite Systems (GIS/GNSS) applications to Learning and Research?
- GIS Technology and Applications
- Hardware and Software Applications
- Infrastructure Protection
- E-Learning Entrepreneurship Education
- Antennas Simulation, Design, Measurements and Applications
- Applications of Computer Science and Technology to Agriculture.
- Mechanical Intranet Technologies and Services
- Issues in E-Learning Research
- Learning Theories and Approaches for E-Learning
- Lifelong E-Learning
- Management of Technology (e-learning)
- Network Technology
- Philosophies and Epistemologies for E-Learning
- Practical uses of authoring tools
- Project Management
- Electronic Simulation and Modeling
- Systems Engineering
- Research Collaboration/Academics Industry Collaboration
- Vocational Training
- Web-Based Learning: Innovation and Challenges
- Workplace Learning
- Engineering and Technological Aspects on E-Learning
- Learning-Teaching, Designing, Methodology and Art of Pedagogy
- Strategic, Managerial and Organizational Aspects of E-Learning
- Quality Assurance, Assessment and Accreditation on E-Learning
- Economic, Social and Cultural Aspects on E-Learning System
- Applications and Case Studies on E-Learning
- Research & Development e-learning R&D
- Computer Simulation of Subsurface Structure
- Open Educational Resources (OER)
- Application Benefits & Challenges of GIS in Mineral explorations

Chief Host:

**DR. MRS T. T. AKANDE**

Rector The Federal Polytechnic, Ado-Ekiti.

Host:

**ENGR. DR. F. A. ISIFE**

Dean. School of Engineering

**CONFERENCE FEE:** The Conference fee is Seven Thousand Five Hundred Naira (N7,500.00) or Sixty US Dollar (\$60) This covers the cost of conference bag, Certificate of Participation, entertainment during the conference proceedings.

**DEAD LINE:** SUBMISSION OF FULL PAPER ON/OR BEFORE 3RD JULY, 2014

**CONFERENCE DATE:** 22ND - 25TH JULY, 2014

Paper for presentation should be in power point format. Papers should adopt Harvard style of referencing and should not exceed 10 pages on A4 size paper printed on one side in double lines spacing. Font must be Times New Roman, 12 or equivalent size for the characters. Four (4) copies of full papers with an electronic copy (CD) of the papers should reach the LOC on or before 3rd July, 2014. Manuscript(s) could be submitted electronically as e-mail attachment to momoh\_jj@fedpolyado.edu.ng (08034155891)

### ACCOMODATION:

Participants will be responsible for their accomodation. There are standard Hotels & Guest Houses located within Ado-Ekiti township and its environs, and close to the Polytechnic. The rate ranges from **N1,500.00 - N6,500.00** per night (Single Room)

**All enquiries and correspondence should be addressed to:**
