Meeting of the UNEVOC CIS Regional Network: Networking and Building Capacity for TVET and ESD in the Commonwealth of Independent States

Ufa, Republic of Bashkortostan (Russian Federation)

29 June – 1 July 2011

AGENDA

Objective of the Meeting: enhancing the role of TVET to meet educational, economic and social needs of the CIS countries in line with the UNESCO Strategy on TVET Development and the UNESCO Strategy for the Second Half of the UN Decade on Education for Sustainable Development (UNDESD) through fostering regional cooperation between UNEVOC National Centers in the CIS and strengthening the CIS Network members' performance.

This meeting will inaugurate the UNEVOC CIS Regional Network through constructive dialogue, exchange of experiences, mobilization of expertise and resources, and elaboration of policy recommendations on priority issues such as: TVET development in CIS, TVET contribution to UNDESD, ICTs use in TVET and rural TVET.

Organizers: Government of the Republic of Bashkortostan, Commission of the Russian Federation for UNESCO, UNESCO Moscow Office, UNESCO Institute for Information Technologies in Education (IITE), UNESCO International Center for Technical and Vocational Education and Training (UNESCO-UNEVOC), German International Cooperation (GIZ), and Intergovernmental Foundation for Educational, Scientific and Cultural Cooperation (IFESCO), the Bashkir Institute of Social Technologies (BIST) and the Committee of the Republic of Bashkortostan for UNESCO.

With the participation of: Federal and regional Ministries of Education (and Science) of the Russian Federation, INRULED - UNESCO International Research and Training Center for Rural Education (Beijing, China), Russian Academy of Education, 14 National UNEVOC Centers from the CIS and Europe.

Venue: Bashkir Institute of Social Technologies (branch of) the Educational Institution of Trade Unions "Academy of Labor and Social Relations" (74/2, Prospect Oktyabrya, Ufa, 450054, Russian Federation)

Tuesday, 28th June 2011
